More Than A Dream!

In our March newsletter, we mentioned our dream of building a multi-purpose building large enough for group meetings and for all the guys to share meals together. An unexpected anonymous donation had sparked this thinking. At our last board meeting, a challenge was made from another anonymous donor to match all contributions up to \$75,000. When the challenge was made, the board members were asked if they would be willing to raise \$5,000 each in an effort to meet the challenge. This picture below shows their response!

We are thankful for these men and for all of you who contribute to the cause of saving men from the clutches of addiction.

The possibility which was only a dream one short month ago, may become a reality sooner than we could have imagined. We are so blessed and thankful for the progress and growth of this program!!
